

Precocious Gene Laden Alpine Edge Retires to Stud

The Opportunity to get in on the ground floor of a Stallion bound to produce high class 2yo's is NOW!!

Alpine Edge won two Stakes Races including the Group 3 Bruce McLaughlan BEFORE Christmas and then raced on to 5yo racking up almost \$1.9 Million in prizemoney. He carries all the factors needed to succeed. Soundness, amazing temperament, size and scope, and genuine class.

A UNIQUE COMBINATION of the famous La Troienne dynasty that has produced early 2yo's that train on to Champions for nearly a century around the world. His sire Better Than Ready and grandsire More Than Ready are loaded with descendants and his dam Freezethemillions a very good 2yo herself, is also loaded. Alpine Edge has an extreme prepotent genetic makeup **FREE** of Danehill. Check out his pedigree below.

A Deal all serious breeders can't ignore. Now being syndicated into 40 Shares with 2 lifetime services per annum for just \$15,000 **NO GST applicable.** That is only a little more than 2 service fees! Not only do you get the services but a share in all the Syndicate net profit PLUS any capital gain the Stallion generates. His sire was syndicated for \$25,000 and shares have sold up to \$195,000. What an investment!

Alpine Edge is to stand at the well-known Clear Mountain Stud near Greenmount on the Darling Downs.
